

What is *Herd Junior High*?

Junior high students are a unique brand of human, so they need a unique brand of curriculum to match. That's why *Herd Junior High* exists!

What is *Gear Up*?

Navigating junior high can be a difficult time, especially for students trying to follow Jesus. *Gear Up* is a year-long curriculum (48 lessons) that looks at common struggles of junior high students and addresses how to view those things through a biblical lens. By studying various themes and books of the Bible, students will see that their faith impacts the way they live, even now in junior high. *Gear Up* is designed to help students build a foundation of faith, equipping them to follow Jesus. Help students learn what it means to pursue Jesus and commit to a life with him.

ONE HANDOUT / TWO OPTIONS

We know junior high can be a time of huge change for students. Whether you're meeting as one giant group or breaking into smaller groups, we've built in flexibility to meet your needs.

- **Want to keep things SIMPLE?** You can give everyone the same handout (both front and back pages). No more worrying about which version to give adult leaders vs. students. Just print and go!
 - **Want a CUSTOM solution?** Give students the back page. Keep the front page as a leaders-only resource so you can customize the opening question, teaching points, and discussion prompts for your specific group.
