

What is *Stampede*?

Have you ever noticed that junior highers tend to run in packs? They spend time in groups and start to talk and act like the people they hang out with. This pack mentality bleeds into their spiritual lives. *Stampede* is a year-long curriculum (48 lessons) that asks the question: Are students just going with the flow (and away from Christ)? Or are they making their faith their own? By studying various themes and books of the Bible, *Stampede* is designed to help students move from blindly chasing what's temporary to following Jesus with purpose. Help students develop a habit of running toward Jesus.

ONE HANDOUT / TWO OPTIONS

We know junior high can be a time of huge change for students. Whether you're meeting as one giant group or breaking into smaller groups, we've built in flexibility to meet your needs.

- **Want to keep things SIMPLE?** You can give everyone the same handout (both front and back pages). No more worrying about which version to give adult leaders vs. students. Just print and go!
- **Want a CUSTOM solution?** Give students the back page. Keep the front page as a leaders-only resource so you can customize the opening question, teaching points, and discussion prompts for your specific group.

What's Included?
