

WELCOME TO THE
INTERSECTIONS

SAMPLE

What is it?

It's so easy to go through our day just checking boxes. We've forgotten that we've been invited to join an epic story—an adventure that unfolds as the Bible confronts our lives. *Intersections* is a year-long curriculum (52 lessons) that challenges students to move past simply knowing the Word to living God's story. These lessons will help students understand Scripture's big picture as well as their calling as citizens of Heaven living on Earth. Stepping into God's epic story will bring them to many crossroads. When those moments come, help them choose.

Each Lesson provides you with TWO TRACKS—a *Small Group Lesson* or a *Large Group Talk*—and includes these key elements: a Bible study, modern-day examples, discussion questions, an experiential activity, a focus on clear life application, a memory verse (in sharable JPEG format), and additional illustrations or object lessons.

What's Included?

- 52 Lessons (divided into smaller, 4-lesson sets) (PDF and Word)
(only one lesson included in this sample)
- Parent Guides (with questions and suggested experiences for the whole family)
- Media and Graphics
- Video Training (not included in this sample)
- Memory Verses (ready to share on social media)
- Marks of a Disciple

**Intersections was created to fit perfectly into the Deep Discipleship system (including the 8 Roots of Discipleship and Marks of a Disciple).*

What do I do next?

It's simple. Included in this sample is one lesson (*Request Granted*) from the *WISE* set of lessons. Open the folder entitled *WISE* and you'll find the lesson, a parent guide for the series, and the memory verse.

To learn more about *Intersections*, check out the *MEDIA AND GRAPHICS* folder as well as the *SCOPE AND SEQUENCE* that give you an entire overview of this resource.
