You now have access to:

## **Leaders Know Their Mission**

In this lesson, students will learn how to lead by example, practice finding their own life mission, and learn how to help others find and lean into living out their own life mission.

## **Leaders Pause**

In this lesson, students will study how Jesus paused on a mountainside, take a second look at the distractions that keep them busier than ever, and learn several practical ways to pause in their leadership.

## **Leading With God**

This lesson will show how that simple change in perspective can change the way they relate to God. Lastly, a short activity will challenge students to examine their schedule and live their entire lives with God.

## **Leaders Finish Strong**

In this lesson, students will learn what it means to be a leader who sets the tone for their team by finishing strong.
